

SUSTAINABILITY PRIVATE CAPITAL EVENT

SUSTAIN
SOUTHERN CALIFORNIA

Sustain SoCal and Roth Capital Partners have teamed up again, this time virtually, to present the **3rd annual Sustainability Private Capital Event** on December 2-3, 2020.

DECEMBER 2-3, 2020 | VIRTUAL

Sustain SoCal & Roth continue to be dedicated to the welfare and safety of our clients and employees. With this in mind, this year's event will consist of **virtual sector focus panels** with Roth Research Analysts / Bankers and **virtual 1-on-1 / small group meetings**. This format will provide investors from venture capital, private equity, family offices, endowments, foundations and angels the opportunity to meet with C-level executives with established private sustainability companies in the **agtech, energy, environmental, mobility, transportation, and water** verticals.

Join Sustain SoCal & Roth, in bringing sustainability together with private capital on December 2nd & 3rd.
